Update from the Editors

Your Donation Will Be Doubled Through 2013

Donations to *Talking Writing* will be matched dollar for dollar through the end of 2013, thanks to a generous individual donor. All contributions will be matched to an overall total of \$10,000. We're thrilled by this kind offer and its potential benefit for TW.

Since we launched the magazine in the fall of 2010, our readership has steadily grown, and we're now garnering over 200,000 annual views. We offer a venue for superlative prose, poetry, and visual art, lively discussion on writing and digital literature, and free online access for all.

It's clear that we're meeting a need for our audience of writers and readers—but as a 501(c)(3) nonprofit, we rely on your support to keep publishing. As the end of the year approaches, please make a charitable donation to *Talking Writing*. Help us obtain the full \$10,000 in matching funds.
